

ARIHANT COMMODITY LIVE TRADE SMS CONFIRMATION

Dear Customer,

We are pleased to introduce the facility of **live trade confirmation** in commodity exchange in both MCX and NCDEX segment to our clients during market hours within 5 minutes of your trade. This feature empowers smooth risk management by quick communication of your trades during market hours via SMS, thereby reducing trade errors and increasing business transparency.

Please note that the SMS will be sent to all clients at their mobile numbers registered with us with effect from 24th Oct, 2011. If any client does not require live trade SMS facility, kindly give us your confirmation at backoffice@arihantcapital.com before 24-Oct-2011. In case of non-confirmation from your side, we will consider it as a consent to receive live trade confirmation SMS on your mobile.

In case of any technical related query, please free to contact our support at 0731-4217-150 / 151 / 154 or backoffice@arihantcapital.com
