P N Gadgil Jewellers Limited, established in 2013, is a leading organized jewelry retailer in Maharashtra, India, with 39 stores across Maharashtra, Goa, and the U.S. The company offers a wide range of jewelry products, including gold, silver, platinum, and diamond pieces, under its "PNG" brand, catering to various customer needs from everyday wear to special occasions. Leveraging its strong heritage dating back to 1832, PNG Jewellers has become the fastest-growing jewelry brand among organized players in India, achieving a revenue CAGR of 54.63% and an EBITDA growth of 39.78% between FY22 and FY24. Operating through a combination of owned and franchise-owned stores, PNG Jewellers also has a robust online presence and plans to expand further by opening 12 new stores in Maharashtra by FY26. The company focuses on quality, with strict hallmarking and conflict-free certifications, and employs diverse marketing strategies, including event-based campaigns and celebrity endorsements, to strengthen its brand presence

Investment Rationale

Well-Established and Trusted Legacy Brand in Maharashtra- The company boasts a rich heritage and strong brand recognition in Maharashtra, which has cultivated a foundation of customer loyalty and trust. This established reputation has enabled the company to expand successfully, operating 39 stores across 21 cities in Maharashtra and Goa, as well as one store in the U.S. Its diverse product portfolio spans gold, diamond, silver, and platinum jewellery, offering designs that cater to various occasions and preferences, from traditional to contemporary. The company's commitment to quality, highlighted by BIS hallmarking and conflict-free diamond certification, enhances its reputation. Effective marketing strategies, including celebrity endorsements and innovative campaigns, further position PNG Jewellers for continued growth and market expansion.

Second Largest Organized Retail Jewellery Player in Maharashtra- As the second-largest organized retail jewellery player in Maharashtra, It demonstrates significant market leadership and growth potential. The company is one of India's fastest-growing brands, with a remarkable revenue growth of 54.63% CAGR between FY 2022 and FY 2024, and the highest revenue per square foot among major organized jewellery players. This strong market position underlines its capability to capture a larger share of the organized jewellery market. Strategic expansion into underserved Tier II and Tier III cities, combined with a growing e-commerce presence, supports PNG Jewellers' potential for continued growth and increased market dominance.

Diversified Product Portfolio Across Categories and Price Points- The company offers an extensive range of over 38,000 SKUs across gold, silver, platinum, and diamond categories, featuring a variety of designs and price points. This comprehensive product range meets diverse customer needs, from special occasions like weddings to everyday wear. By providing a broad selection, the company appeals to a wide customer base and adapts to evolving consumer trends. Its deep understanding of regional preferences, particularly in Maharashtra, allows it to tailor collections to local tastes, creating a "one-stop-shop" experience that drives sales stability and growth.

Increased Digital Presence to Expand Customer Base and Sales- The company is enhancing its digital presence through its website and mobile app to broaden its customer base and increase sales. This digital expansion allows the company to reach a larger audience with minimal costs. By offering products online and through various marketplace platforms, PNG Jewellers boosts brand awareness and caters to a wider customer segment. Additionally, its digital channels provide valuable insights into demand patterns, aiding in informed decision-making for future store expansions. The continued investment in digital strategies is designed to engage customers and boost sales both online and offline, offering a cost-effective alternative to physical store investments.

Valuation and View : PNG Jewellers is strategically positioned to capitalize on its strong brand reputation, extensive product portfolio, and significant market presence. With its robust domestic footprint and growth potential in both existing and new markets, the company is set to benefit from expanding its store network, enhancing its digital presence, and leveraging effective marketing strategies. It has demonstrated impressive financial performance with substantial revenue growth, rising to INR 6,119 Mn in FY24 from INR 4,559 Mn in FY23, a 34% increase. At the upper price band of INR 480 per share, the IPO is valued at a P/E of 42.2x based on an FY24 EPS of INR 11.4. **We recommend to "SUBSCRIBE FOR LISTING GAIN"**
